(c) 2007

*Estrategy 1: Analyse,
denounce and counter-
attack the fallacious
~~capitalist/empiricalistic~~
ideologies of "information
society" and "knowledge
society" and their
charlatans and
sychophants*

Estrategy 2: Analyse, resist and counter-attack the slavery masters of the general intellect: copyright system; patents; etc. (WIPO)

□ [Copy/South international Research Group](http://www.copysouth.org) (Alan Story; Colin Darch; Joost Smiers; Roberto Verzola; et al), <http://www.copysouth.org>

□ Network in Defence of Knowledge and Culture for All, <http://www.porlacultura.org/>

ALBA (Bolivarian Alternatives for Latin America, Venezuela)

 - World Social Forum – Libraries Coordination?, <http://www.kaapeli.fi/book/founding-a-library.html>
 - Others?

*Strategy 5: To build
up worldwide
~~cooperative like~~
wikis, Indymedia,
etc. to resist the
privatization of
information*

*Strategy 6: to analyse,
resist and counter-
attack the policies of
elitist international
organisms like IFLA,
national library
associations and their
charlatans*
