International Librarianship. An Electronic Resources Pathfinder

By: Zapopan Muela, zapopanmuela@gmail.com

Master of Library Science (MLS) Student

Department of Library and Information Studies

State University of New York at Buffalo

Buffalo, NY, USA

April 23, 2001

[**UB Libraries Catalog**][**Databases**][**Web resources**][**Associations**][**Journals**][**Listservs**]

This guide is made as a research paper for the References Services course at the Master in Library Science Program at the State University of New York at Buffalo, Buffalo, NY, USA. It lists sources in electronic format to introduce undergraduate and graduate students of the State University of New York at Buffalo to the research and study of Library and Information Science with an international scope. Consult with a reference librarian at the Undergraduate Library (UGL) for additional assistance.

To find books and journals

Search UB Libraries Catalog to locate books on your topic of research. This catalog provides a listing of campus libraries holdings including books, audio-visual materials, government documents, journal titles, etc.
