REQUIREMENTS OF AN EFFECTIVE PHOTOGRAPHS ARCHIVE MANAGEMENT

Within the framework of continuing efforts in preserving and managing photographic archives, the requirements for the effective management of photographic archives must be met. These requirements will be presented in the following sections.

DOCUMENTATION OF ARCHIVED PHOTOGRAPHIC COLLECTIONS

The SEPIADES Model

- Photographic material must be documented accurately with correct, complete, and consistent data.
- Photographic material must be documented according to the SEPIADES standard.
- Photographic material must be documented in a coherent and logical manner.
- Photographic material must be documented in a permanent and accessible manner.

Figure 1

BASIC PRINCIPLES

- Photographic material must be documented accurately with correct, complete, and consistent data.
- Photographic material must be documented in a coherent and logical manner.
- Photographic material must be documented in a permanent and accessible manner.

SEPIADES STANDARD

Safeguarding the Past and Illuminating the Future of Cultural Information

- Photographic material must be documented accurately with correct, complete, and consistent data.
- Photographic material must be documented in a coherent and logical manner.
- Photographic material must be documented in a permanent and accessible manner.
