## Embedding YouTube Videos inside SlideShare presentations (Beta)

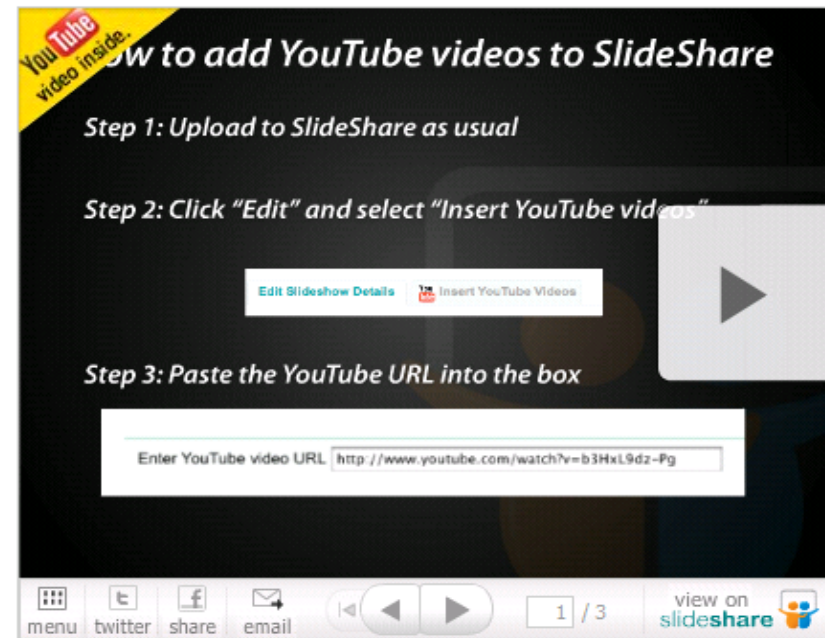

You can now embed YouTube Videos to play inside SlideShare presentations. The videos show up in a separate slide inside the SlideShare player. Doing this is really easy and opens up a host of creative possibilities.

### How to get started

1. Upload to SlideShare as usual
2. Go to *Edit slideshow* >> *Insert YouTube videos* tab.
3. Paste the YouTube URL into the box.
4. Select where you want the video to appear in your presentation from the dropdown.
5. Hit "Insert and Publish" and you're done!
6. The video will now appear inside your presentation

## Welcome to E-LIS

We now have **more than 10747** documents in our archive

E-LIS has been restored. Please note that e-mail alerts from the old version site have not been migrated to the new version, thus they should be re-created by the users. We have opened a Google group <http://groups.google.com/group/e-lis-e-prints-in-library-and-information-science> where you can ask about any doubt you might have concerning the new version of Eprints Software. We will also answer all questions published at <http://www.facebook.com/group.php?gid=5514259572>
