

Cataloguing principles,
data, and
catalogue features.

Agnese Geleffi

Some reflections on
IFLA ICP revision

International
Cataloguing
Principles

Objectives

Serving as a basis
for international
standardization

"effort... to produce a new
statement of principles
applicable to online
catalogues and
beyond..."

FUNCTIONALITIES

PRINCIPLES

Cataloguing Principles

Data

Catalogue
features

phenomenology

what are
principles

ἀρχή

raison
d'être

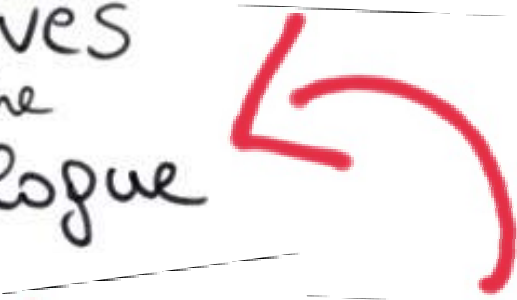

fundamental
truth or
proposition

what is The
essence
of
categorizing?

Principles
as
generalization
of
more specific laws

If experimental
experience
changes, then
the principles
will also
change

Objectives
of the
catalogue

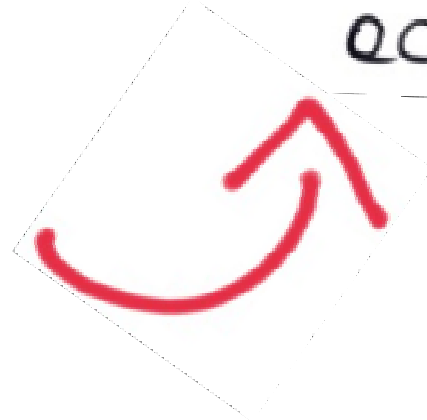

Principles

Cataloguing
activity

Resources

catalogue

as a

“

cognitive

artifact”

We will never encounter
Knowledge boundaries
and confounding areas...
with the exceptions of
those we'll have
imposed on ourselves !!
