

LINK: Library Instruction Knapsack

A repository of learning objects to support academic librarians in their instructional role.

BCLA

April 19, 2007

Liza Hutchison

Background

- Invitation to join SOL*R April 2006
- Academic Librarians in Public Service (ALPS)
- A community with common interests and sharing culture, history of collaboration

ALPS Clearinghouse

- 1998-
- Proliferation of CD-Roms, electronic products, databases, licensed through the ELN
- Share instructional materials related to above
- Clearinghouse model: submitted, categorized, posted
- It foundered on timing/technology

First Steps

- Members volunteered at AGM and announced on the ALPS list serv
- WIKI (Share Library Resources)
 - Open to all interested librarians
 - Minutes
 - Communication re homework
 - Name & logo

SOL*R's Appeal

- All set up
- Accepts all formats
- Deals with permission for reuse, modification, re mix, etc.

Q: Would SOLR meet our needs
and how could we fit in?

A: Let's see what happens

- Built for post secondary instructors in BC
- New discipline
 - Library and Information Literacy

What materials?

- All formats
- Handouts, subject guides in print or web-based, lesson plans, activities, exercises, animated tutorials, WebCT courses, video

Metadata

- Minimal mandatory fields
- Classification?
- Controlled vocabulary?
 - Folksonomy

Guidelines?

Q. How to communicate emerging guidelines that would apply to only the librarians?

A. A community portal
